

Certification of Demonstrated Financial Need (\$9006)

The undersigned has applied for \$_____ of grant assistance from USDA Rural Development's Section 9006 Renewable Energy Generation & Energy Efficiency Improvement Grant program.

It is hereby certified by the applicant that the applicant is unable to finance the project from its own and commercially available resources without grant assistance, or that the project proposed by the applicant cannot achieve the income and cashflows to sustain it financially over the long term without grant assistance.

The applicant understands and agrees that USDA may request the applicant to provide sufficient information to allow USDA to make its own determination of the applicant's financial need.

To the best of my knowledge and belief, this certification is true and correct. The document has been duly authorized by the governing body of the applicant.
